

### **SUD Provider Training and Education Requirements**

SUD providers are responsible for providing training and education to their staff on the ASAM® Level of Care criteria and the application of the ASAM® criteria in the assessment process. During provider enrollment, The Health Plan will obtain attestation from the SUD provider that ASAM® criteria will be applied appropriately by the provider's SUD program staff. As part of BMS' quality monitoring strategy, personnel and clinical records of a sample of the provider network will be reviewed to evaluate if there is appropriate application of and fidelity to the ASAM® Levels of Care and the Medicaid Provider Manual. BMS' ASO contractor will perform these retro reviews of providers to ensure SUD program providers are consistently applying ASAM® criteria throughout an individual's stay and that documentation and personnel records meet established Medicaid standards.
