

New Substance Use Disorder Form

With residential and peer recovery support services related to Substance Use Disorder (SUD) transitioning to managed care on July 1, 2019 The Health Plan is implementing the *Substance Use Disorder Clinical Review Information Form* to collect demographic and clinical information on members of The Health Plan for all services related to substance abuse treatment. This form is located under Forms>Additional BH Forms on The Health Plan's provider secure website located at: myplan.healthplan.org. This form will replace the following behavioral health forms:

- Substance Use Disorder Admission Review Information Form
- Substance Abuse Concurrent or Discharge Review Information Form
